I.A.T.S.E. LOCAL 16

WORKER INFORMATION POLICY

It is the policy of I.A.T.S.E. Local 16 to maintain the privacy of workers' records as far as practicable.

I.A.T.S.E. Local 16 will not disclose any workers' records absent a subpoena or other compelling legal reason.

If a worker has a need to contact another worker for a legitimate reason, other than a steward doing call backs, I.A.T.S.E. Local 16 will make an effort to contact the other worker to see if the other worker wants to be contacted by the requesting worker and how this contact should occur.

It is the policy of I.A.T.S.E. Local 16 not to provide worker's information including addresses and contact information to other workers or to the public.
